

Soldiers Raise \$984.00 For College Fund

New York — The officers and men of the 95th Infantry Battalion, stationed at Fort Campbell, Ky., have given a sum of \$984.00 to the 1951 campaign of the United Negro College Fund, it was announced here today by William J. Trent, Jr., executive director.

The gift was made, according to battalion commander Major George R. Roth, because the men realize "the necessity of supporting private educational institutions." The collection was made through the efforts of Lt. Lloyd J. Stark, of 150 Clark Avenue, Moorestown, N. J.

Mr. Trent also announced the receipt of similar contributions

to pay medical expenses and funeral expenses of workers who sickened or died while under the jurisdiction of the government.

In the meantime, the Puerto Rican government has established a territorial employment service affiliated with the U. S. Employment Service to set up an island pool of 100,000 Puerto Rican workers so that they may be more easily available to agriculture and industrial workers in this country. Jamaica has 50,000 workers who want to come to the U. S. to work.

While such efforts are being made to import foreign workers to this country, the National Farm Labor union reports that there are thousands of farm workers already available especially in the southern and western states who would be willing to do farm work in other localities if provisions were made to transport them to the areas where farm labor is needed.

The farmers union reports that there are already somewhere between 400,000 and a million "wet-backs" in this country — that is Mexicans who slip over the border and swim the river between the two countries illegally.

There is evidence according to a union spokesman that some Mexican communists are being sneaked into this country as migratory farm workers.

from other units of the Armed Forces. Army of Occupation troops in Wurzburg, Frankfurt, Heidelberg, Munich and Nurnberg, Germany and in Austria sent a "first installment" of \$712.00 to the Fund. Captain Cecil W. White, president of the European Tuskegee Club, promised that further contributions would be forthcoming at an early date.

A previously announced gift from the men of the 24th Infantry Regiment in Korea was augmented by an additional contribution which brought the total for that group to \$6,545.00.

Distinguished Clergyman From London To Deliver Commencement Address At Morehouse

Rev. F. Townley Lord, B.A., B. D., D. D., LL. D., pastor of Bloombury Baptist Church, London, England, and president of the Baptist World Alliance, will deliver the commencement address at Morehouse College Tuesday morning, June 5, 1951, when 142 men are scheduled to receive the bachelor's degree (B. A., B. S., and B. D.) from the 84-year old college for men.

The baccalaureate sermon will be preached this year by Rev. James Clair Taylor, M. A., D. D., of the A. M. E. Z. Church, Joint baccalaureate services for Morehouse and the other schools in the Atlanta University Affiliation will be held in Sisters Chapel at Spelman College at 3:00 p.m. Sunday, June 3.

The complete 1951 commencement calendar for Morehouse College follows:

Wednesday, May 23—Class Day-Sale Hall Chapel, 9:00 a.m.

Saturday, May 26—Presidents' (of affiliated colleges) Reception to Graduating Classes — Atlanta University Dormitories, 8:00-9:00 p.m.

Sunday, June 3—Baccalaureate Exercises - Sisters Chapel 3:00 p.m.

Sunday, June 3—President and Mrs. B. E. Mays "at home" to

foreign labor bill. Sen. Young made reference to a testimony offered before the Senate Appropriation committee by a George Goodwin, director of the U. S. Employment service, who favored bringing these foreign migratory workers to this country.

Goodwin was questioned on the advisability of importing the workers to the U. S., by Sen. Chavez of New Mexico who shows great concern about what is going to be done with the American workers to transport them to the spot where there is an acute labor shortage.

"What are you going to do about the Indians?" asked the New Mexico senator. "They can get killed on Okinawa or raise a flag on Iwo Jima, but what are you going to do to get him a job on a farm?"

Little Brenda Louise Beauchamp, the daughter of M/Sgt. and Mrs. Booker T. Beauchamp who lives at 1120 Smith Street, Jackson, Miss., was crowned the baby of the year at Lynch Street M. E. Church, Sunday evening in a baby contest with seven other babies. Little Brenda was blessed to have her father home on D. S. for forty-five days or more to see her win the first prize. Brenda Louise raised \$68.20.

Mdme. Pandit Fisk U. Commencement Speaker

Madame Vijaya Lakshmi Pandit, India's Ambassador to the United States and Mexico, and sister of India's Prime Minister Nehru, will be this year's Commencement speaker at Fisk University, it was announced by President Johnson today.

Madame Pandit came to the U. S. A. in December, 1944, as Leader of the Indian Delegation to the I.P.R. Conference at Hot Springs, Virginia, and later represented India in a non-official capacity at the San Francisco Conference.

In 1946, 1947, and 1948 she was Leader of the official Indian Delegation to the United Nations.

She served as Chairman of the Education Committee of the Municipal Board of Allahabad for two years before being elected to the Legislative Assembly of Uttar Pradesh when she was appointed Minister in the Congress (National) Government, holding the Portfolios of Local Government and Public Health.

Morehouse seniors, faculty, alumni, and friends.

Monday, June 4—Annual Alumni and Senior Dinner meeting - Robert Hall Rining Room, 8:00 p.m.

Tuesday, June 5 — Commencement Exercises - Sale Hall Chapel 10:30 a.m.

The 1951 commencement season will terminate on Tuesday evening, June 5, with the annual banquet offered by President Benjamin E. Mays honoring the person or persons, if any, who have been awarded honorary degrees by the College, or the faculty member or members who have during the year earned the Ph. D. degree. This year there is no one in the latter category, but there will be two recipients of honorary degrees to be honored at the banquet.

Dr. Ralph Bunche Awarded Silver Buffalo

A former Boy Scout, Dr. Ralph J. Bunche of New York, Director of the Division of Trusteeship of the United Nations, recent winner of the Nobel Peace Prize, is one of eight men honored today (Sat.) with the Award of the Silver Buffalo for "distinguished service to boyhood" by the National Council of the Boy Scouts of America.

The presentation was made at a luncheon of the National Council's 41st annual meeting at the Hotel Stevens in Chicago. Dr. Bunche was a Scout at Albuquerque, N. M.

The Silver Buffalo Award is made annually on the basis of noteworthy service to boyhood of a national or international character, outside the line of regular duty, either directly to or independent of the Boy Scouts of America.

In a ceremony conducted by the National Court of Honor, of which Dr. George J. Fisher, National Scout Commissioner, is chairman, each recipient was invested with a miniature Silver Buffalo worn suspended on a red, white and red ribbon around the neck and also received an inscribed brochure bearing the citation that accompanies the award.

The seven others honored today are:

Dr. James L. Clark of New York explorer; James H. Douglas, Jr. of Chicago, attorney; Edgar A. Guest, writer and poet of Detroit; Dr. Raymond W. Miller of Washington, D. C., public relations and trade consultant; Maj. Gen. D. C. Spry of Ottawa, Canada, Chief Executive Commissioner of the Canadian Boy Scouts Association and Jack P. Whitaker, Kansas City, Mo., manufacturer.

The citation accompanying the award to Dr. Bunche follows:

Ralph J. Bunche, Jamaica, N. Y. Educator. A Scout in his early boyhood, he stands before youth today as an example of the opportunity which America offers to her sons to rise to positions of great world influence. Thus he is enrolled with those who through their achievements have added lustre to their race and heritage. Scholar, with broad knowledge and experience in anthropology and colonial policy, based on numerous fellowships in Europe, Africa and Asia. Long time member of the

Besides six honorary Doctor of Laws degrees from American universities and colleges, Madame Pandit has received several citations from national organizations, was awarded a Medallion as Outstanding Woman of the Year, 1949, by the Women's International Exposition New York; and is a Kentucky Colonel.

Born on August 19, 1900, she was educated entirely at home and married the late Ranjit S. Pandit, Barrister-at-law in 1921. She has three daughters. Madame Pandit has been active in political life since 1932, and served three terms of imprisonment for participation in the freedom movement under the leadership of Mahatma Gandhi. She served as Ambassador to Moscow for two years before coming to the United States of America.

Alma Johnson and edited by Miss Naomi Henderson, and recently published in a handy blue back entitled "Kelly Chats."

A brief reading of "Kelly Chats" reveals the new Concord Baptist Church to be well organized with each department carrying on its work in a manner that gives complete harmony to the program of the whole church.

The church activities may be seen as beginning each year with the Easter program which is followed through the year with All Boys Day, Men's Day, Ladies Day, Harvest Day and culminated with the Christmas Program.

During the year the church also sponsored a number of special programs and pageants including several broadcasts over Station WQBC in Vicksburg, Miss.

The miscellaneous activities of the church include the sponsorship of Girls and Boys 4-H Clubs, and Boy Scout Troop, one of whose members attended the National Jamboree last year in Valley Forge, Pa.

A moving spirit in the church is Mrs. Alma Johnson, whose activities and interest is the equal of that of her late husband, Mr. Dozell Johnson, the wealthy oil man who passed away on August 10, 1949, and who was a deacon and a heavy contributor to the church.

The Rev. N. B. Johnson is the pastor of the New Concord Baptist Church with the following officers: Bryant Stutts, Bob Davis, James S. Henderson, S. N. Handy, Deacons: Miss Bernice Henderson, Pianist: S. N. Handy, Clerk; and Mrs. Alma Johnson, Trustee.

tion of the case.

Attorney Priscock, who will defend Stringfellow was one of Counsel for the defense of the four white men charged with the murder of an entire Negro family in the famous Attala County Massacre that took place near Kosciusko, Mississippi last year.

In this case where all of the defendants were escaped convicts, none were given the death penalty and one was given the penalty of only ten years.

It was not learned here whether Attorney Priscock was being paid altogether by Stringfellow and relatives or that his fee had been guaranteed by other sources. According to reports the NAACP had declined to take an active part in the defense mainly because of the fact that the organization was already heavily over-committed in many cases throughout the Country.

faculty of Howard University. After rendering significant service to his country during World War II, he entered upon his career with the United Nations as Director of the Division of Trusteeship. In the discharge of his United Nations responsibilities, he became associated with Count Bernadotte, Chief Scout of the Swedish Boy Scout Association, who was United Nations' Mediator on Palestine. After the Count's tragic death, Dr. Bunche carried on as Acting Mediator with such distinguished success that he was awarded the Nobel Peace Prize. His selfless interest in the welfare of his fellow men, the world over, provides inspiration for men of good will everywhere.

Magnolia Cpl. Gets Bronze Star

WITH IX CORPS, US ARMY IN KOREA—Although Cpl. Jalee Butler of Magnolia is a driver with IX Corps' 540th Truck Company, a unit which generally operates behind the front lines, he has proved his ability as a first class fighting man.

Corporal Butler received the Bronze Star Medal for valor May 7 from Lt. Col. Joseph D. Klunder, Commander of 55th Truck Battalion, for displaying heroism against an armed enemy last fall.

On November 1st, near Kumchun, Korea, a convoy of trucks in which Corporal Butler was riding was ambushed by about 100 North Koreans. Although fired upon from close range by five guerrillas, he coolly stood his ground and fired, killing two of them. The others fled. Then, for four hours he fought with his fellow truck-drivers against well-entrenched enemy. Eventually, the Americans shot their way out of the ambush.

A native of Magnolia, Corporal Butler attended the Pike County Training School, in Magnolia. He is a veteran of World War II, having served in England, France and Germany. After the war he enlisted in the Regular Army. Prior to joining Maj. Gen. William M. Hoge's fighting forces on the central Korean front he was assigned to the Tokyo Quartermaster Depot. He arrived in Korea with the 540th in August, 1950.

His parents, Mr. and Mrs. Less Butler, reside in Magnolia.

building—which will cost in the neighborhood of three and one-half million dollars.

The president said that the blue print and tentative plans for two of the new buildings were already on his desk and construction was expected to begin before the opening of the fall session.

In addition the president said that the college had acquired the property across Lynch Street from the college where a faculty residence center will be also constructed at an early date.

Aside from the physical improvements the college which would reach university status by 1952 with the addition of a Liberal Arts Department, a Department of Education, and a School of Nursing.

Within these departments the president said subjects and courses can be included which are to be found in any other university in the state.

The President also revealed tentative but extensive plans for the observance of the Diamond Jubilee, marking the 75th year of the founding of the College to be celebrated in 1952.
